## INTRODUCTION

## WELCOME

TO OUR NEW PODIATRY CATALOGUE

Our latest catalogue has been enlarged to include many new forms and promotional tools together with a new section comprising an extended range of practice signage, reception furniture and storage products.

All our design, artwork, printing and handling is undertaken in-house, enabling us to keep prices extremely competitive, even on small quantities.

## MEETING THE REQUIREMENTS OF CLINICAL STANDARDS

In accordance with the standards of proficiency and the general clinical standards of conduct, performance and ethics required of the profession, Admor has designed and published a series of forms and protocols to help health professionals meet their obligations. For example:

- Patient Records
- Medical History
- Consent Forms
- Assessment Forms

The forms in this catalogue have been designed specifically for use by HPC registered Chiropodists and Podiatrists. However, if you are a Foot Health Practitioner, you will still be able to buy these forms in an alternative version.

## OTHER HEALTH PROFESSIONS

All the products in our catalogue are suitable for or can be adapted to a wide variety of health professions such as Physiotherapy, Osteopathy and Chiropractic. Please call to discuss your requirements and tailor the products to suit your practice.

Suggested Contents for your Patient Information Leaflets

General
1. If you are a new patient, we would like to take this opportunity of welcoming you to this practice.
2. We are keen to offer you information about our practice, so you are aware of the range of services available to you, and how these may be beneficial, or provide part of your treatment.

The Practice
3a. I am a single-handed practitioner.
3b. I am a single-handed practitioner, but I employ the services of an assistant to carry out some foot care tasks.
3c. All the podiatrists in this practice are in partnership.
3d. Some of the podiatrists in this practice are associates, employed on a part-time basis.

Foot Health
4. Despite many people suffering foot problems, most of the population do not visit a podiatrist regularly. To help prevent foot problems and for a general foot health check, we recommend you attend an annual foot health check appointment. Please ask for more details.
5. It is our practice philosophy to promote foot health at all times. Therefore we recommend regular check-ups. These will also help keep your feet healthy and help to keep down the cost of your treatment.

Footcare Assistant
6. We employ a foot health assistant who is trained in many aspects of foot care and foot health advice. Depending on your needs, your appointment may be with our foot health assistant.
7. We aim for each patient to see the same podiatrist where possible on a continuing basis. However, if this is not possible for any reason, suitable alternative arrangements will be made for you to see another podiatrist within the practice.

Referrals
8. Over the years we have developed experience in many aspects of podiatry, but in certain cases we may refer patients to colleagues who have special skills in certain types of treatment.

For example: nail surgery or podiatric surgery.

Special Services
9a. In addition to routine chiropody treatments this practice offers:
   • Nail cutting appointments
   • Diabetes Annual review appointments.
   • Home visits for chiropody in the local area.
9b. In addition to routine chiropody treatments this practice offers:
   • Nail cutting appointments
   • Diabetes Annual review appointments.
   • Home visits for chiropody in the local area.
   • Insoles or orthoses to improve your foot function and help relieve pain.

Insoles and Orthoses
10. Some foot problems are caused by how your feet and legs are aligned, and how they move as you walk or run. It may be appropriate to advise insoles or orthoses to go into your shoes to improve this alignment. If this is appropriate for you, we will recommend the most suitable treatment for you.

Foreign Languages
11. Languages spoken at this practice include...

Anxious?
12. Some people feel a little worried and anxious about what the treatment provided at appointments may involve. We understand your concerns. Please discuss your fears with us and we will do everything we can to help.

Home Visits
13. Home visits can be arranged to provide chiropody treatment for patients who are unable to attend the clinic for appointments.

Emergency Service
14a. If you are in pain during surgery hours, please telephone and every effort will be made to see you as soon as possible.

14b. For emergency treatment outside normal surgery hours, for example after nail surgery, please contact NHS Direct on 0845 4647 or www.nhsdirect.nhs.uk.

Appointments
15. Please arrive promptly for your appointment, this helps us to keep on time with appointments.
16a. If you have to cancel an appointment please try to give us at least 24 hours notice. If you are unable to provide 24 hours notice, you may be charged for your cancelled appointment.
16b. Patients who habitually break, cancel, or arrive late for appointments risk their treatment being stopped at this practice.

Protection
17a. We wish to reassure our patients and staff that all necessary precautions are being taken in this practice to safeguard both the patients and staff against blood-borne infections, such as AIDS and Hepatitis.
17b. As a caring practice we take all necessary precautions to safeguard both patients and staff against blood-borne infections such as AIDS and Hepatitis. We follow recommended guidelines with regard to the sterilisation of instruments and the use of disposable contaminated items.

Facilities for the Disabled
18a. We have facilities to assist people in wheelchairs.
18b. We have ground floor facilities which are suitable for the disabled.
18d. Our toilet facilities are suitable for wheelchair users.
18e. Unfortunately our premises are not suitable for wheelchair users, or people with poor mobility, however we can offer a home visiting service if you are unable to attend for a clinic appointment.

Keep Us Informed
19. We may ask you about any drugs you are taking. Please make a note of their names and tell us about them when you attend.
20. If you change address or telephone number, please let us know as soon as possible. This helps keep our records up to date and our recall system more efficient.
21. From time to time we may ask you to fill in a Medical History Questionnaire to assist in our diagnosis and treatment. This is confidential.

Prevention
22. Children are always welcome. We aim to prevent foot problems rather than treat them at a later date.

Our Aim
23. We hope our clinic has been equipped to create a comfortable and relaxing atmosphere in which to treat you. We are always happy to hear your comments and suggestions.

Merchandising
24. We stock a full range of foot creams, dressings and foot files. Please ask at reception for more information.

Patient Responsibilities
25a. You should provide us with as much notice as possible if you have to cancel or change an appointment.
25b. Please request a written treatment plan (including costs) if you would like one.
25c. We request that you pay for your treatment on the day of your appointment.

Abusive or Violent Behaviour
26. If a patient is abusive or violent to any other patient or staff, their treatment will be terminated and the police will be informed.

Confidentiality
27. Strict confidentiality of patients records and information is maintained at all times. Patient records will not be passed onto any third parties without the patients express permission.
LETTERHEADS, COMPLIMENT SLIPS & BUSINESS CARDS

We offer a range of personalised stationery designs in one, two or full colour on 100gsm Admor Wove.

If you cannot find a style to suit you, please call us and we will be happy to discuss creating a bespoke design for you at an agreed cost.

BANNERS
Do you have a large area of wall or a glass shop front that you don’t know how to utilise. Create an impact at the same time as promoting your services by hanging some large banner signs. Banners are available in 2 widths and lengths of up to 2 metres. Banners are colourfast with a 3 year guarantee. Captions can be tailored to your requirements. Available single or double sided.

Supported on beautifully machined satin anodised aluminium fixings suitable for either wall or ceiling mounting.

LOCKABLE COUNTER TOP DISPLAY CASE
This attractive counter standing cabinet has a silver anodised aluminium frame, two shelves in 6mm toughened glass, with polished edge finish to all glass doors and shelves and chrome plate finish corner knuckles. An ideal solution for an effective merchandising display where wall space is at a premium. Size 350mm(w) x 350mm(d) x 700mm(h)

COUNTER TOP DISPLAY CASE
(REF: P097) £275.00
MODULAR RECEPTION DESK

CURVED RECEPTION DESK
A modern style, durable reception desk made to the highest quality. The desk is composed of a metal frame with a melamine top and is closed at the front by an acrylic panel. Desk finishes available are beech, maple and cherry with acrylic front panels in blue, white or green and a choice of two leg frames. Overall size when built: 2m x 1m with 1,200mm clear space between legs. All units come with a full 12 month manufacturer’s warranty. Installation and delivery charges will vary according to your location. Alternatively, we can supply flat, with instructions, ready for self assembly, but special care has to be taken with installing the acrylic panel. Damage caused by incorrect assembly or relocation of the unit after installation is not covered by the manufacturer’s warranty.

CURVED RECEPTION DESK (P580) £995.00

FINISHES
Please note that the accuracy of the colours illustrated here is dependent on the constraints of the printing process.

BRICO RECEPTION STATION
Brico is a self assembly Reception Unit, which is available in Light or Dark Wood finish. Optional cash drawer available.
Size: 1010mm (w) x 500mm (d) x 1060mm (h)

HEALTH AND SAFETY

We know you need to stay ahead of statutory regulations, so from an easy-to-use, life saving defibrillator to high quality smoke detectors, we can help.
AUTOMATED EXTERNAL DEFIBRILLATOR (AED)
The Lifeline® AED allows you to save the life of a sudden cardiac arrest (SCA) victim and deliver care without any risk to you or the patient. This is the simplest AED to operate, with clear verbal and visual instructions to guide you through rescue. It is totally safe for you and the patient. The portable and lightweight (1.9kg) self contained unit has bright oversized buttons and a built in facility to identify when a shock is required. The Lifeline® AED is virtually maintenance-free, performing extensive automatic tests, with a bright status indicator and a clear audible alarm triggered when the 5 year battery requires changing.

The standard package includes: AED unit, adult pads, 5-year battery and user manual: Training is recommended and available, Telephone 01243 553078 for details.
